

SECTION 34 -- PROPOSALS REQUIRING COORDINATION WITH OTHER AGENCIES

Table of Contents

- 34.1 Nuclear reactors
- 34.2 Public works in the District of Columbia and National Capital area
- 34.3 Radio spectrum-dependent communications-electronics systems
- 34.4 Tax expenditures

34.1 Nuclear reactors.

You must obtain a letter setting forth the recommendations of the Department of Energy before you submit estimates for construction of nuclear research and test reactors.

34.2 Public works in the District of Columbia and National Capital area.

(a) District of Columbia.

You must consult the Commission of Fine Arts regarding plans for the construction of buildings and other structures in the District of Columbia that may affect in any important way the appearance of the city, and other questions involving artistic considerations with which the Federal Government is concerned.

(b) National Capital area.

You must consult the National Capital Planning Commission regarding construction of public works in the National Capital area.

34.3 Radio spectrum-dependent communications-electronics systems.

You must obtain a certification by the National Telecommunications and Information Administration, Department of Commerce that the radio frequency required can be made available before you submit estimates for the development or procurement of major radio spectrum-dependent communication-electronics systems (including all systems employing space satellite techniques). (See section 33.18.)

34.4 Tax expenditures.

You must consult with the Office of Tax Analysis, Department of Treasury on all proposals for new or modifications of existing taxes whether or not the modification results in a tax expenditure (see section 33.23).
